Date: 11<sup>th</sup> Nov. 2016  
Meeting Schedule Start Time: 10 Am  
Meeting Actual Start Time: 10:40 Am

### **AGENDA**

1. Explain Ashoo Sir about the application.
2. Discuss regarding how to make the API more secure.
3. Demonstration of Sample App UI and working components such as login via [st.niituniversity.in](http://st.niituniversity.in)
4. Discuss regarding issues faced and the requirement of the Nucleus API.

### **MEETING END**

Meeting Schedule End:??  
Meeting Actual End: ??

## **DECISIONS MADE**

1. Integrate the library API to the application.
2. Implement Google Sign-on rather than St.niituniversity.in.
3. Implement Gate pass integration in the app
4. Implement Timetable integration in the app working on dummy data.
5. Implement Attendance integration in the app working on dummy data.
